

TASHKENT PARK IMPROVEMENTS

Seattle Parks and Recreation invites the community to a public meeting for the Tashkent Park improvements. This is an opportunity to learn about the proposed new landscaping and small plaza. The Sr. Landscape Architect from Seattle Parks will present the proposed plan, answer questions and gather community feedback. Tashkent Park is located on the west side of Capitol Hill on 511 Boylston Ave E.

Seattle Parks is applying for funding through the Community Development Block Grant and anticipates construction to begin in August 2015.
